Juveniles Take Truck From Site

PLACENTIA — Two juveniles, who meant no harm when they borrowed a pick-up truck from a construction site, are charged with grand theft auto.

A workman at the construction site in the 400 block of Santa Fe, at noon, heard his truck engine as he worked in one of the buildings. Alfred Joshua Vincenz of Miraloma and another workman James Phillips of Anaheim chased the truck on foot. The young driver jumped from the moving vehicle and left his companion in the drivers seat.

Vincenz and Phillips caught the and turned them over to Placentia police. The juveniles were released to the custody of their parents.

PUSD Sets Guidelines To Deal With Overcrowding

PLACENTIA — The Placentia Unified School District approved a series of steps to be taken in case of overcrowding at schools during a special meeting with the Placentia City Council last week.

According to the new policy the priority order is, first, to use multi-purpose rooms for not more than two classes; second, use trailers when available; third, use overlapping double sessions in grades one to three; fourth, in grades four to six use either overlapping or extended double sessions; fifth, bus to schools of the same grade level; sixth, bus to schools of different grade level; seventh, use any community

facilities that will meet the education code.

The board also set up three citizen committees and called for applications from any residents of the district interested in serving on them.

The committees are the Planning Programming Budgeting Management Support Committee chaired by Assistant Superintendent, Business services, Dr. E. Earle Brewer; the Planning Programming Budgeting System Steering Committee, chaired by Board's Representative John Tynes, and the Educational Facilities Planning Committee.

During the special meeting with the Placentia City Council the two boards discussed standards of placement of crossing guards, school site selection, city representation from the planning department on the School Building Planning Committee, and joint use of facilities for recreation programs.

The board also hired two speech therapists after Board's Representative John Tynes pointed out that there were 538 students in the district needing speech therapy.

Placentia Committee Sets Meeting

PLACENTIA — The newly formed Budget Review Committee met December 1 to review budgetary matters in the Placentia Unified School District.

Officers elected at the meeting are General Chairman, John Hickey; Co-Chairman, Sinclair Jones; Corresponding Secretary, Mrs. Jo Ann Vreeland; and Recording Secretary, Mrs. Lee Van Gordon.

Three sub-committees were established. Chairman for each sub-committee and members are, Budget; Max Ellis, chairman; Lyle Hallett, Al Barlow, Sinclair Jones, Art Harvey and Mrs. Jo Ann Vreeland. On Public Opinion are Cec Rospaw, chairman; Mrs. John Hilliard, Mrs. Barry McPherson, John Chipman, student, and Mrs. Lee Van Gordon. On Goals and Programs are Dr. Wm. B. Simecka, chairman; Mrs. John Press, J. Paul Herbet, "Kam" Gleason, and Ralph Lewis, student.

John Tynes, Board's Representative, gave a brief outline of the tax rate and steps in setting tax rates required by law.

The entire Budget Review Committee will meet Friday, December 10 at 7:30 p.m. in the Board Room to finalize their recommendations to be submitted to the Board of Education at their regular meeting on December 13. The public is invited to attend.

City Council Changes Zone; Sets Election

YORBA LINDA — The City Council approved a zone change from R-4 to R-1 for property along Imperial Highway east of Casa Loma and sent another zone change from R-4 to R-1 back to the Planning Commission for consideration for a change from R-4 to R-4-5500 (requiring a minimum of 5500 square feet per unit.)

Owners of the property protested the change since a developer, Christie Builders, Inc. of Newport Beach, has nearly completed all steps required by the city and was ready to go for building permits for a development under the existing zoning.

Both properties are irregularly shaped and opponents of the change claimed that they were essentially useless as single-family residential property.

The property on Imperial is a long strip which narrows to 80

feet wide at one point. The other property, off Eureka north of Richard Nixon School on the west side of the street, has only 90 feet of frontage on Eureka.

Councilmen also called an election for April 11 for a vote on the recently adopted general plan after petitions containing 869 valid signatures, or about 19 per cent of the registered voters, were filed by opponents of the plan.

Mayor Henry Wedaa announced an agreement with the developer for opening the fences on Lombardy Lane northeast of the Yorba Linda Boulevard and Fairmont intersection through a model home complex. Some residents of the new tract were forced to go a long distance to get out of the tract because of the fence put up by Lan-Ron Company, the developer, to restrict access to the models. The gate will be closed only on weekends.

Backs Adds Another Acre To Placentia Center Site

PLACENTIA — Edward Backs has brought closer to reality the inclusion of the library on the new civic center site has brought closer to reality the inclusion of the library on the new civic center site with the gift of one additional acre to be added to the south side of the 6.1 acre civic center site he presented to the city two years ago.

According to Placentia Library Director David Snow the library board last month expressed its desire to build its new facility on the civic center site.

The board had asked Snow to have the architects study the site

to determine whether the library could be included. If it could not they were ready to buy the extra acre from Backs.

The property will be deeded to the city with the presentation being made at the December 21 City Council meeting. The effect of the gift, however, is to save the Library District close to \$75,000 which it has tied up in a site at the intersection of Kramer and Morse.

City Administrator Edwin T. Powell said that he would probably instruct the city finance committee to meet with legal counsel and draw up a joint powers agreement under which the city and the district would be able to share facilities, such as land, parking, landscaping costs, and other items.

The library district presently has about \$223,000 which it has saved over the past four years which will be used to build the new library. Sale of the parcel now owned by the district is expected to add over \$75,000 to that fund.

\$2,000 Fire Damages A Local Camper

PLACENTIA — A camper fire on Saturday night caused a serious personal loss to the Clayton Sanders family at 701 N. Stardust in Placentia.

The fire, which is suspected to have been caused by an electrical short, caused over \$2000 damage to a \$5000 camper.

Firemen were called to the scene at 8:15 Saturday night and had the fire quickly under control.

Mrs. Jack Christensen and Mrs. Carl Czaplinski of the Placentia Round Table Christmas Clearing Bureau accept check for \$200 from Placentia Kiwanis Club President Dr. Paul Evans.

Yorba Linda Leagues Are Now Under Way

The Boys' Basketball League began on December 6 at Yorba Linda Junior High School. This league is open to boys in fifth and sixth grades and in seventh and eighth grades and is sponsored by the Yorba Linda Recreation Department.

The teams will meet three times a week, playing two league games each week once the league is organized. Every boy will get to play,

both in practice and in games. The teams will play a round-robin schedule with other teams in the league.

The league will run until February 25, minus Christmas vacation time. At the end of the season an All-Star game will be played between two teams, composed of boys who are selected from the league.

Register now at City Hall. The registration fee is \$3, which includes a game shirt.

Kiwanis Tree Lighting Set For December 12

The Eighth Annual Kiwanis Tree Lighting cosponsored by the Placentia Recreation and Parks Department will take place Sunday, December 12, at Kraemer Memorial Park.

The festivities will begin at 6 p.m. and will include seasons greeting from Mayor Robert F. Finnell and Kiwanis President Dr. Paul Evans. Music will be presented by the Placentia Unified School District and will include community carol singing.

Santa Claus has made special arrangements to conduct the city's tree

lighting ceremony and will have a candy cane for each child.

Assisting Santa will be members of the Placentia Teen Scene. This year's program will again be highlighted with the Teen Scene's beautiful Christmas decorations throughout the park.

The total program will last one hour scheduled for the outside.

Audition applications are available for Willamette University College of Music, Oregon, said Mrs. Torgerson. Also for this type of scholarship tape recordings will be accepted in lieu of personal appearance. February 12 is the deadline for application.

Troy Formal Will Be Held December 18

Troy High School will hold a Christmas Formal on Saturday evening, December 18, from 9 p.m. to midnight. Tickets are priced at \$3.50 per couple, with the girls inviting the boys this year.

NEH Will Aid Youths With College

New Educational Horizons is a federally funded program, described in the bulletin sent recently to parents of students of Valencia High School by Dr. David Tansey, principal.

Explanation contained in the bulletin states that the program is designed to provide comprehensive services for students who, because of economic, academic, motivational and ethnic barriers would not normally be afforded the opportunity to compete for a college education. These services include admissions, financial assistance, academic advising, counseling and assorted extra curricular activities.

Parents who feel their child meets the New Educational program qualifications should contact Miss Rose Vasquez students Recruiter from the University of California, Irvine, by making appointments through their high school counselor. Miss Vasquez is on Valencia campus on Wednesday from 8 a.m. to 12 noon.

Sierra Vista PTA Booth To Sell Gifts

Homemade Christmas confections will be offered for sale by the Sierra Vista PTA prior to and following the school's annual Christmas program which is scheduled for Tuesday December 14, at 7:30 p.m. in the multipurpose room.

The Christmas booth will also feature a variety of ceramic gift items stuffed with candy and a collection of holiday recipes put together by the PTA. Mrs. Joseph Brown and Mrs. Edward Harris are coordinating the arrangements.

Sierra Vista's upper grades will be performing the holiday program.

Dr. Paul Evans of the Placentia Kiwanis Club presents a check for \$75 to Placentia Recreation and Parks Director Richard Samp to be used for the annual Christmas tree lighting ceremony scheduled for December 12 at Kraemer Park.

Valencia's 'Girl Date' Planned For Center

Decorations of "Christmas Reflections" and entertainment by Branch Estate will set the stage for Valencia High School's annual Girl Date formal, Saturday, December 18.

Some may call it "Women's Lib", but only twice a year do the girls on the Tiger campus officially get a change to reciprocate and ask that special boy for a date.

Sponsored by Valencia's Girl's Athletic Association, the dance will be held in Fullerton Junior College's student center, with the music continuing from 8 to midnight. Tickets may be purchased from GAA members each day at noon

in front of the student store. Price of admission is \$5 per couple. Students wishing for seasonal memoirs may have pictures taken by Pound Photographers at a cost of \$3.50.

Performing throughout the evening is the rock group Branch Estate. Organized for seven years, the group is comprised of four musicians. Leading the group, Martie Echito moves between the organ, 12 string guitar, flute, and percussion. Bass player Wayne Bacer and singer Robert Muniz all double on organ and percussion. Providing the background for the group is drummer Chuck Kears.

Just Exactly What Is A Migraine Headache?

This frequently asked question was put to me, to better identify the relationship of the migraine to other types of headaches.

Before I answer the question, let me say that we Doctors make a mistake too often of using names or 'labels' of serious conditions without explaining them.

Just because a person may not know the name of his problem that doesn't mean he isn't experiencing pain and discomfort.

Migraine is the most cruel type of headache.

Let me describe a typical migraine attack. It can start with a heavy feeling over the eyes. The individual generally becomes depressed with the thought of going through another bout with migraine.

The pain begins at the base of the skull and radiates, or throbs, to one or both sides of the head. Some senses become extra acute . . . for instance, loud noises seem painfully louder. The least jarring or stooping aggravates the pain. Black spots or flashes or zig-zag lights come before the eyes. Often there is vomiting.

What I have just described is a typical migraine attack. At the earlier stages of the migraine condition the symptoms may be less severe. But left untreated they will

most surely intensify and in many cases become a lifetime of sheer agony.

What causes a migraine?

Nerve pressure at the base of the skull is the first cause. Technically, mid-dorsal nerve pressure impairs the tone of the pyloric valve, diminishing the efficiency of digestion. Bile entering the stomach becomes difficult to expel. The lower pelvic organs may produce low-back nerve pressures.

FOR INFORMATION ON HEALTH PROBLEMS CALL THE CHIROPRACTIC HEALTH INFORMATION BUREAU 525-0293 AND ASK TO SPEAK TO A DOCTOR OF CHIROPRACTIC.

Modern chiropractic is known to be the most successful in the treatment of migraine headaches. Pain pills and headache remedies only offer temporary relief, if any relief at all.

I've found that all the technical language, named remedies, pills, potents, etc., mean little to the person who suffers from migraine attacks. Purely and simply, they have a terrible burden and want to rid themselves of it.

It's my sincere hope that all of these people will seek effective worthwhile treatment of their condition. And quite honestly, their life of misery is going to continue, and in most cases worsen, if they don't do something about it right away.

Volunteers For Local FISH Are Needed

The local chapter of the FISH organization, sponsored by the ministerial association of the churches in Placentia and Yorba Linda, needs volunteers. The purpose of FISH is to provide immediate help in emergency situations.

The services of FISH are available to anyone. It is not necessary to be a member of any church to call for assistance. However, FISH is in desperate need of volunteers for this very much needed service.

Those who would like to give a few hours a month for FISH duty, should telephone 528-1438 to obtain the necessary information as to how one can serve.

Typical volunteer activities of FISH members include emergency transportation, preparation of a meal for a person just home from the hospital, baby-sitting, calling on the elderly, or similar temporary aids.

The chain of FISH volunteer organizations started in England, and spread to the United States. There are chapters of the group in hundreds of cities in this country, including seven in other communities of Orange County.

Christian Science To Hold Lecture-Sermon

Divine protection is always at hand. This is a theme of a Bible Lesson Sermon entitled "God the Preserver of Man: at Christian Science church services Sunday.

"The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore," a Scriptural promise states.

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy explain why this is so. One citation states: "The divine Mind that made man maintains His own image and likeness."

Services at Christian Science Society, Yorba Linda, Olinda Street at

Imperial Highway, begin at 11 a.m. The public is invited to attend.

Atwood Mothers Group Is Formed

Under the sponsorship of Placentia Junior Round Table, mothers of children attending the Atwood Community Center Pre-school have formed into a club and elected a slate of officers.

Purpose of the Mothers' Club is to organize the Atwood Pre-school on a permanent basis in the community, as well as assisting in the operation of the pre-school and making instructional aids.

Fourteen mothers attended the initial meeting at the Center under the leadership of Mrs. Walter Plegel, education chairman of Junior Round Table. Mrs. Plegel will act as coordinator for the Mothers' Club and will be assisted by Mrs. George Ramos.

Mrs. Phil Montano was elected president of the organization and will also be the club's representative to SMILE. Other officers are Mmes. Gloria Moreno, vice-president; Mary Garcia, secretary; Virginia Gomez, treasurer; Andy Trejo, decorations chairman; and Esther Herrera, refreshments chairman.

Members plan to meet monthly at the Atwood Community Center. Programs will be presented on nutrition, hygiene, child behaviour and related subjects. They will make instructional materials for the pre-school and assist with parties for their children.

One of the first projects for the club members will be providing cookies, decorations and transportation for the pre-school Christmas party to be held at Van Buren Elementary School on December 18. The party will be sponsored by Placentia Junior Round Table with the assistance of Placentia Girl Scout Troops 1164 and 13.

Field trips for the children during the Christmas vacation period were also discussed.

A major problem facing the newly organized club will be the lack of funds to sustain the Atwood Community Center after February 1972.

The pre-school originated in 1970 under the

leadership of Mrs. George Ramos of Placentia Junior Round Table with weekly classes held at the Center for children between the ages of three to five years. One of the main purposes was to increase the English vocabulary of the area's Mexican-American children prior to entering kindergarten.

Members of Junior Round

Table assisted Mrs. Ramos in teaching at the school weekly throughout the year, donating instructional materials as well as their time. Last year's program was so well-received that this year's classes have been increased to three times weekly with the assistance and support of other community service organizations and individuals.

Round Table Christmas Tea Is Successful

Placentia Round Table annual Christmas Tea held December 1 was different in its program, and the approximately 75 members and friends gathered at the clubhouse on North Bradford Avenue had difficulty in choosing what they most preferred.

Ron Brown and his choir singers from El Dorado High School gave their first public concert of the

season, and presented songs of the madrigal type and completed their part of the program with the old familiar Christmas ballads. Then Brown led the entire assemblage in Christmas carol singing.

Mrs. James (Toni) Henley, who presides over the Round Table Thrift Shop, narrated the fashion exhibit of clothing now available for sale at the Thrift shop.

Members of the club were models, and the garments ranged from children's wear and toys to exquisite evening gowns, robes, every day dresses and stoles. Mrs. Henley asked for volunteers to help staff the Thrift Shop as so many persons are coming as customers. Also,

Recycling Center To Be Open

The recycling center operated by the El Dorado Ecology Club, sponsored by El Dorado High School and the Placentia-Yorba Linda branch of the AAUW, will hold its next opening on December 18 in the north end of the parking lot at El Dorado.

Newspapers, magazines, tin, aluminum, and bi-metal products will be accepted from 10 a.m. to 3 p.m. Glass will be accepted until 1 p.m.

For further information about the center, which is open each first and third Saturday every month, call 524-1188.

PTA Will Purchase Equipment

A ditto machine, a film loop projector and two mathematical records will be purchased for Sierra Vista Elementary School by the school's PTA, according to a vote passed by the general PTA membership at a recent meeting.

At the same meeting, Duane Mendell, principal at Sierra Vista, presented achievement awards to students of all grade levels who had been doing outstanding work in the areas of reading, mathematics, science, English and spelling.

if members have any items to donate to the shop, to please bring them in, as there is the need. The Thrift shop has a dual role in that it helps persons buy what is needed for the holiday season, and the money gained is used for the philanthropic work of the Club.

The Thrift Shop is still located at 125 Santa Fe Ave. until such time as the new quarters are ready for occupancy.

Daughters Will Host Families

Family dinner for members of the Native Daughters of the Golden West, Grace Parlor No. 242, is set for December 16 at the IOOF hall in Fullerton. Dinner will be served at 6 p.m. with the Parlor furnishing ham, coffee and rolls. Members will supply the various items such as vegetables and pies that go to make up a family dinner.

Mrs. Helen Ranard, president of the parlor, urges all members and their families to attend. The children will have a visit from Santa and gifts will be found for everyone.

El Dorado Band To Wrap Christmas Gifts

El Dorado's band has been busy lately, but they don't plan to slow down a minute, even for the Christmas season.

Their latest fund-raiser will be a Christmas booth at the K-Mart store in Fullerton, where they will wrap Christmas presents for a small fee.

The booth will be open from 9 a.m. until 10 p.m. starting Saturday, December 11 and continuing through Christmas vacation. Parents of the band members will man the booth during school hours, and the students will take over after school and during vacation.

Prices for wrapping the presents range from about 25 cents to \$1.50, depending on the size of the package.

The Christmas booth will raise money for their trip to Switzerland next year. Many other fund-raisers are scheduled for this year.

Band members recently held a party after El Dorado's first basketball game of the season. The party was a victory celebration for the band's recent showing at the All-Western Band Review. The party was held for the entire band.

YL Juniors Angel Tree Now Up

The Yorba Linda Junior Women's Club annual Angel Tree event is now under way at the Safeway market at Yorba Linda Boulevard and Rose Drive.

The purpose of the Angel Tree is to supply gifts to the orphans of Orange County. The children's names and ages are placed on the tree, then taken off by people who wish to purchase a gift. The name, with the gift, are then returned and placed under the tree. Later they are wrapped and tagged.

Chairman of the event, Mrs. Terry Huff, says this year there will be 300 names on the tree.

The tree will be open from 9 a.m. to 9 p.m., with two members of the Junior's on duty at all times. Angels for the tree were made by the Soeur D'oreilles.

Christmas Trees Will Be Sold By Jaycees

The Placentia Jaycees will be selling Christmas Trees once again. This year's Christmas Tree Lot will be at the corner of Yorba Linda and Valencia Boulevard. Flocking and delivery will be available. The lot will open December 9. Hours will be 10 a.m. to 10 p.m.

The revenue derived from the sale of trees will be used to support the various

activities that the Jaycee's conduct in the community. The recent Heritage Parade, Fun Days at McFadden School and the Parkette were supported by monies derived from last year's Christmas Tree Sales.

The Jaycees would like to extend Seasons Greetings to all, and invite the children to come in and get their free candy canes while their parents are selecting a fresh tree from the lot.

Board Meets; Party Held By Mrs. Loomis

The December board meeting for the Placentia-Yorba Linda Welcome Wagon Club was held Wednesday, December 1 at the home of Mrs. Phyllis Loomis, news letter chairman, 1262 Galway Street, Placentia.

The board meeting was conducted by President Lorraine Lewis, with the majority of board members present. After the session of business was adjourned a

Christmas party was enjoyed. Gifts were exchanged and guests were served coffee and Christmas cookies from a beautifully set dining table. After the party, board members able to stay longer assisted Mrs. Tina Long in the making of name tags which were used last Saturday for the guests attending the annual Snowflake Ball. Luncheon was served, buffet style by the hostess.

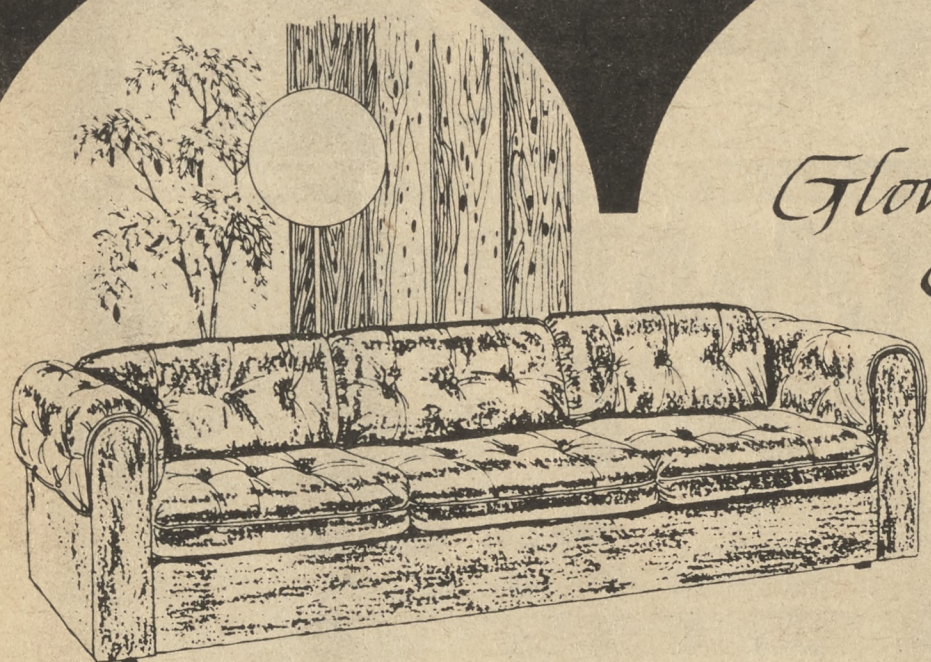

Girl Scouts Camp Out At Park; Learn Skills

O'Neil Park was the location of a weekend campout for Girl Scouts numbering about 260. Pam Bader's troop 1772 presented the opening ceremony. It was the first time this troop had been given the honor of opening the campout, and reports indicated their work was exceptional.

Free time was given to the young ladies for fun, play

and hikes on the nature trails. Lessons were given in compass use, and many other outdoor skills were taught.

A "Sing Down", lasting one hour, resulted in Troop 1095 led Mary Lewis singing "Scout's Own" which had a love theme. To Troop 253's leader, Joan Nemagern, was congratulated on the her troop having the cleanist and safest camp.

**ED Cross Country Is
Fifth In CIF Race**

El Dorado's Varsity cross country team ended a very strenuous and successful season by finishing in fifth place at the CIF 2A Championships Saturday, at Cal State Long Beach.

This meet culminated a season which saw the Hawks go undefeated in their eight dual meets, take first place at the Orange County Championships, and finally sweep to first place at the Orange League Championships to win the league title.

Pacing the Hawks to their fifth place finish was Brent Wood who finished in 14th. He was followed by Jim Unopulos in 18th; Pat Dutzi, 20th; Ed Soto, 30th;

and Tom Menn, who finished in 47th. The finish was very close as demonstrated by the fact that Dutzi and Soto were only six seconds apart, yet nine runners finished between them.

**Wrestlers
Face Norco
After Win**

Going for their second straight victory, El Dorado's Varsity wrestling team hosts Norco Thursday, in a rare night match.

In the season opener against Santiago, the Hawks breezed to an easy 45-30 win over the Cavaliers. Senior Jack Murphy had the fastest pin for the Hawks, as he pinned his man in 36 seconds. Mike Fleming, Tom Smith and Steve Hines also were impressive for the Varsity.

The Junior Varsity wasn't quite as fortunate as the Varsity, but they didn't lose as they tied with Santiago 30-30. Doug Jaso, Greg Johnson and Derek Cater led the Hawks. Jaso, who pinned his man in 19 seconds, is a junior, but never wrestled before this year.

**Troy Defeats Hawks
After Santiago Loss**

After one week of competition, Coach Billy Morris still doesn't know how good a team his Troy Warriors are. Following a disappointing opening night defeat 59-46 at the hands of powerful Corona Del Mar, the Warriors came from behind in the final minutes to defeat a surprisingly good El Dorado team 76-69.

David Lingenfelder has been the most consistent player, scoring 16 and 22 points in the first two games while controlling the boards and many times stealing the ball. Mark Wulfemeyer finally came around against El Dorado as he hit 11 of 19 shots for 26 points after going 3 of 15 against Corona Del Mar, and it

looks as if he's ready to roll. Jamie Ferguson, playing an extremely aggressive game, had 13 points against the Golden Hawks and was largely responsible, along with "Lingy" and "Wulf", for the Warriors' 11-2 outscoring of El Dorado in the final two minutes Friday night.

This week Troy takes on Orange Tuesday night in their home opener and travels to Foothill to test the Knights on Friday.

**El Dorado
Travels To
Santiago**

After losing a tough game to Troy last Friday, 76-69, El Dorado's Varsity basketball team will be looking for their first win of the season when they travel to Santiago Friday.

Against Santiago, the Hawks will not only be looking for their first win, but also an improvement in cohesiveness.

**Cal State Is
Home After
Three Losses**

This weekend will mark the home debut for the Cal State Fullerton basketball team in their annual Kris Kringle Tournament.

Coming off a tough four game road trip, the Titans will host Whittier College at 9 p.m. on Thursday night. Chapman College will challenge North Dakota St. in the 7 p.m. opener. The championships will be held on Friday at 9 p.m. with third place preceding the championships.

Coach Alex Omalev is glad to be back home after his team dropped their first three games of the long trip.

After losing to Tulsa, 99-75, the Titans were smashed by Colorado State 96-67. Omalev decided to juggle his lineup against Northern Illinois on Saturday night but the result was the same, a 116-82 loss.

**FJC Wins
Bakersfield
Tournament**

Fullerton Junior College won the Bakersfield Tournament last weekend by downing Grossmont, 73-71.

In a close battle between two of the top junior college teams in the state, Fullerton came from behind to stay undefeated.

Coach Mo Radovich's squad was led by all-tournament guard Brad McNamera from Sunny Hills. McNamera scored 22 in the championship game. 6-3 sophomore, Bill Boyd also made the all-tournament team as a forward, scoring in double figures every game.

Next Friday the cagers travel to Pasadena to meet the Citrus Tournament runner-up. FJC debuts at home on Saturday, December 11 against Rio Hondo, Moorpark Tournament Consolation champs.

Valencia Defeated By Bolsa In First Game

Downed by Bolsa Grande, Valencia Tigers lost 83-69 in their first game of the season at Bolsa Grande High School Friday.

Tiger courtmen didn't seem to click with the right plays or shots.

Senior Jerry Marmalejo was high point man of that game as he pushed through to score 24 points.

Coach Bob Hamblin is very disappointed with the team's first showing. He explained that Bolsa Grande shot better than his team and felt that they played poorly. "They were hustling, we just have to keep working on our mistakes till we improve," said Hamblin. He then went on, "We'll have to improve."

JVs' headed by Gary

Jones had a better showing, as they won with a pleasing 55-28 victory. Jones was pleased as he announced, "A total team effort, our press shook them up." Also, "We had a terrific hustle."

The frosh and soph teams had the good fortune with the JVs', as the sophs won 66-42. Mike Oregon and Kurt Jensen were the two outstanding players for the soph game.

Monday the Tiger courtmen played Santiago, score not available at press time.

Today the round ballers will enter the Glendale Hoover Burbank tournament and will play at 8:30 p.m. against Glendale Hoover High School at Glendale High for the first game of the tournament.

Cal State Fullerton To Play In 'Mercy Bowl'

Next Saturday, December 11, Cal State Fullerton's football team will play its eleventh game of the season in the "Mercy Bowl."

All funds from the game will go toward the

educational support of the eleven surviving children of coaches Dallas Moon, Joseph O'Hara and Bill Hannah, killed in an airplane crash on November 13.

Wrestlers Defeat Savanna

Muscling over Savana High School, Valencia wrestlers opened their season with a 69-6 victory over Savanna Thursday.

Quickest pins were by Mark Pereira and Steve Wallace. Pereira took 44 seconds to pin his man and Wallace a hustling 48.

Another outstanding performance was noted by Head Coach Gene Baker, as Ruber Rojas did very well for his first year out.

Ed Sauls and Richard Samaniego will head this years matmen as captains.

JVs' and frosh-soph teams also had the good fortune of winning, as the JVs' conquered 45-21 and frosh-soph 21-12.

December 11 sights the next time matmen will take on opponents, this time in their own tournament with seven other schools including Brea, El Dorado, San Jacinto, Sonora, Tustin and Villa Park. Then December 14, the Tigers go against Katella for their next dual match.

Portrait Proofs -- one of the first things ever devised to self-destruct! Here are a few things to remember when you receive yours.

Proofs are not finished prints - they are rough contact prints made on a special type of sensitized paper.

Proofs from a black and white negative are reddish brown and will turn a little darker with every exposure to light. Be sure to keep them out of the sunshine. And don't spread them out on the table for Mom to see two or three hours later.

If they do turn dark, don't panic. If you know the letter on the one you want, that is all we need. We can easily make new ones from the original negatives.

Proofs from color negatives are also rough prints. They are in color and will not turn dark when exposed to light. They must be returned to the studio when you make your order.

Take care not to lose them because they are not so easily replaced and you will be charged for them.

Choose the proof you like best on the basis of POSE and EXPRESSION only.

Shadows under the eyes, blemishes, etc., are routinely removed on the negative itself by retouching. Hair can be smoothed and eyelashes accented on black and white negatives only.

Spotting or print retouching is done on the finished print. We remove white spots, soften hi-lites and smooth hair by hand using a small brush.

A good retoucher and someone with a steady hand on the spotting brush are essential in creating fine quality portraits.

City Department To Investigate Dumping

Fire Chief James F. Sims announced today that members of the Placentia Fire Department have begun inspecting vacant lots and fields in the city to investigate complaints of illegal dumping of trash, litter, and debris.

In many instances, it seems that some residents may be dumping grass cuttings, and other litter into adjacent vacant lots in violation of the Placentia Municipal Code.

Residents in the immediate area of these

violations will be given a "letter of reminder" advising them that "depositing of litter on private property" is in violation of the Municipal Code and pointing out that such violation is a misdemeanor.

Residents are reminded that any trash, litter, or noxious growth may be placed only in approved containers or must be immediately removed to an approved public waste disposal area.

but excited junior and senior girls.

Having completed almost two weeks of practice everyday after school, the two teams will meet out on the gridiron at 8 p.m. to decide the victor. Rumor goes that no class in Valencia High School history has ever won the game for two consecutive years. In 1969 Joe Rangel's junior team defeated the seniors for the first time ever at VHS. Last year Rangel's squad was heavily favored, but to the surprise of the entire crowd, they were defeated 14-6.

That team that defeated the first winning junior team will now attempt to be the first powderpuff team to have a perfect 2-0 record. Instructing the girls on the field are senior coaches Pat O'Shaughnessy, Dave Fujinami, Dave Lindsay, and Bill Schiederich.

"I feel our strength, quickness, and speed will play a key role in our game this year. They are a fast team and it will take a senior effort to pull through for another victory", stated veteran coach Fujinami.

Head junior coach Bill Kennedy commented, "We've really got a strong team and I know that we're going to give the seniors a tough fight. I think it's going to be a close game, but if the juniors stick together I'm sure they will pull through".

Mark Goodwin and Chris Abrahamson are also coaching the junior squad.

Mayor Turns On City Lights

The Placentia city staff gathered Thursday evening with Mayor Robert Finnell to turn on the Christmas lights at city hall. The colorful lights and displays at city hall and fire station two are one way that the city staff and elected officials have of saying "Merry Christmas" to the citizens of Placentia.

Lighting city hall for the holiday season has become an annual affair, beginning in 1960, when the city firemen constructed a small Christmas display. Since then, each year the firemen have changed and added to the display.

Cindy Barthou and Deanne Royere successfully passed one of the Cadette challenges while attending the recent campout of Girl Scouts at O'Neil Park.

Mrs. Wallace E. Bagley, district president and Mrs. Murray J. Granger, district first vice-president and Mrs. John Barnes, Placentia Round Table, will welcome the guests.

Mrs. John Coffey, district music chairman, has arranged for the Brea-Olinda High School Choral group, under the direction of Mr. Tishberry to present the program for the affair.
